

July 2002

Issue 6

>> Welcome

Welcome to the July 2002 issue of Iowa Technology! This month's issue includes a printable calendar to give you an at-a-glance view of the best technology events in Iowa.

>> Focus

Are you shopping for a new web application server? Here are [six reasons](#) to consider one of the more mature products on the market, Lotus Domino, as your new solution.

>> Events

XDE Professional for Java - Overview and Demo by Rational

[Central Iowa Java Users Group \(CIJUG\)](#)

Tuesday, July 9th, 6:00 PM to 7:30 PM
Johnston

Join CIJUG and Rational for an overview and demo of Rational XDE. Rational XDE Professional has been designed for developers as an eXtended Development Environment. XDE Professional provides new functionality:

- Full integration into the IBM WebSphere Studio Application Developer or WebSphere Studio Workbench Integrated Development Environments
- Work in a single environment, avoiding the need to switch between many different, non-integrated tools.
- Powerful patterns engine support to jump-start and accelerate your projects.
- UML visualization and documentation support, code templates, and automatic or manual synchronization of your code and models.

Cut the Wire: Handheld and Wireless Technologies for Business

Thursday, July 25th, 8:30 AM to 12:00 PM
West Des Moines

Sales force automation. Inventory management. Knowledge base distribution. CRM. ERP. Patient Care. Real-time market data and transaction processing. From data collection to wireless communications, handheld technology has become much more than a cool way to manage your calendar. Join AURA Consulting and industry experts in a seminar designed to help you implement handheld technology for your business. This seminar is appropriate for technologists and managers who are considering handheld technology. Seating is limited; [RSVP](#) required.

Software and Information Technology of Iowa (SITI) Golf Outing

Monday, July 29th, 11:30 PM to 8:00 PM
Des Moines

Golf with the Iowa IT community and local business celebrities at Echo Valley Country Club. This is a unique opportunity to network and have fun at the same time. Cost, \$80 per person or \$256 for a 4 person team. [RSVP](#) required.

SITI Lunch & Learn: Building Better Enterprise Applications Faster

Des Moines: Tuesday, July 30th, 12:00 PM to 1:30 PM

Cedar Rapids: Wednesday, July 31st, 12:00 PM to 1:30 PM

Join SITI and TogetherSoft for an overview of a new development tool, Together Control Center. This tool enables rapid application development from start to finish. This seminar will be an interactive and educational session that will demonstrate how to build an application from requirements through deployment using Together Control Center. [RSVP](#) required. Cost, member \$15, non-member \$25.
